

GRAZIA TODERI

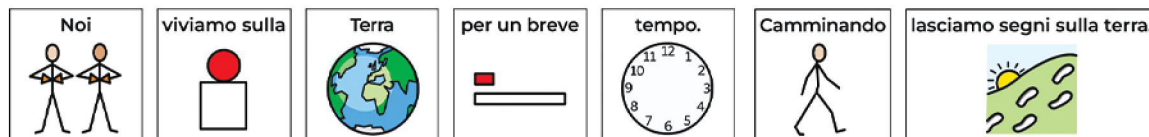

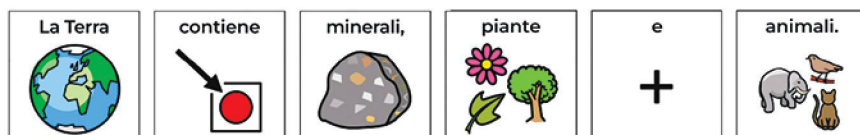

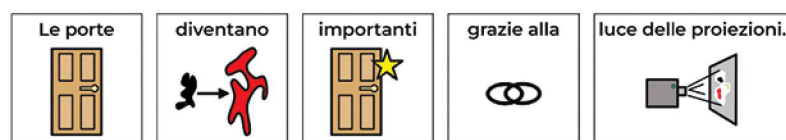

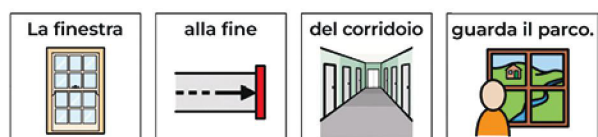

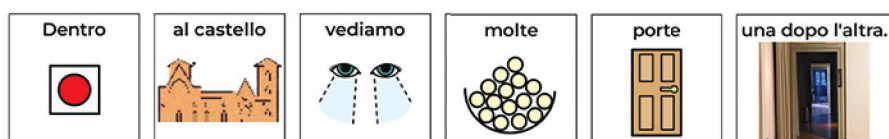

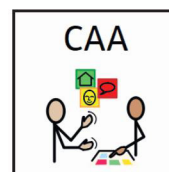

TEATRO TERRA

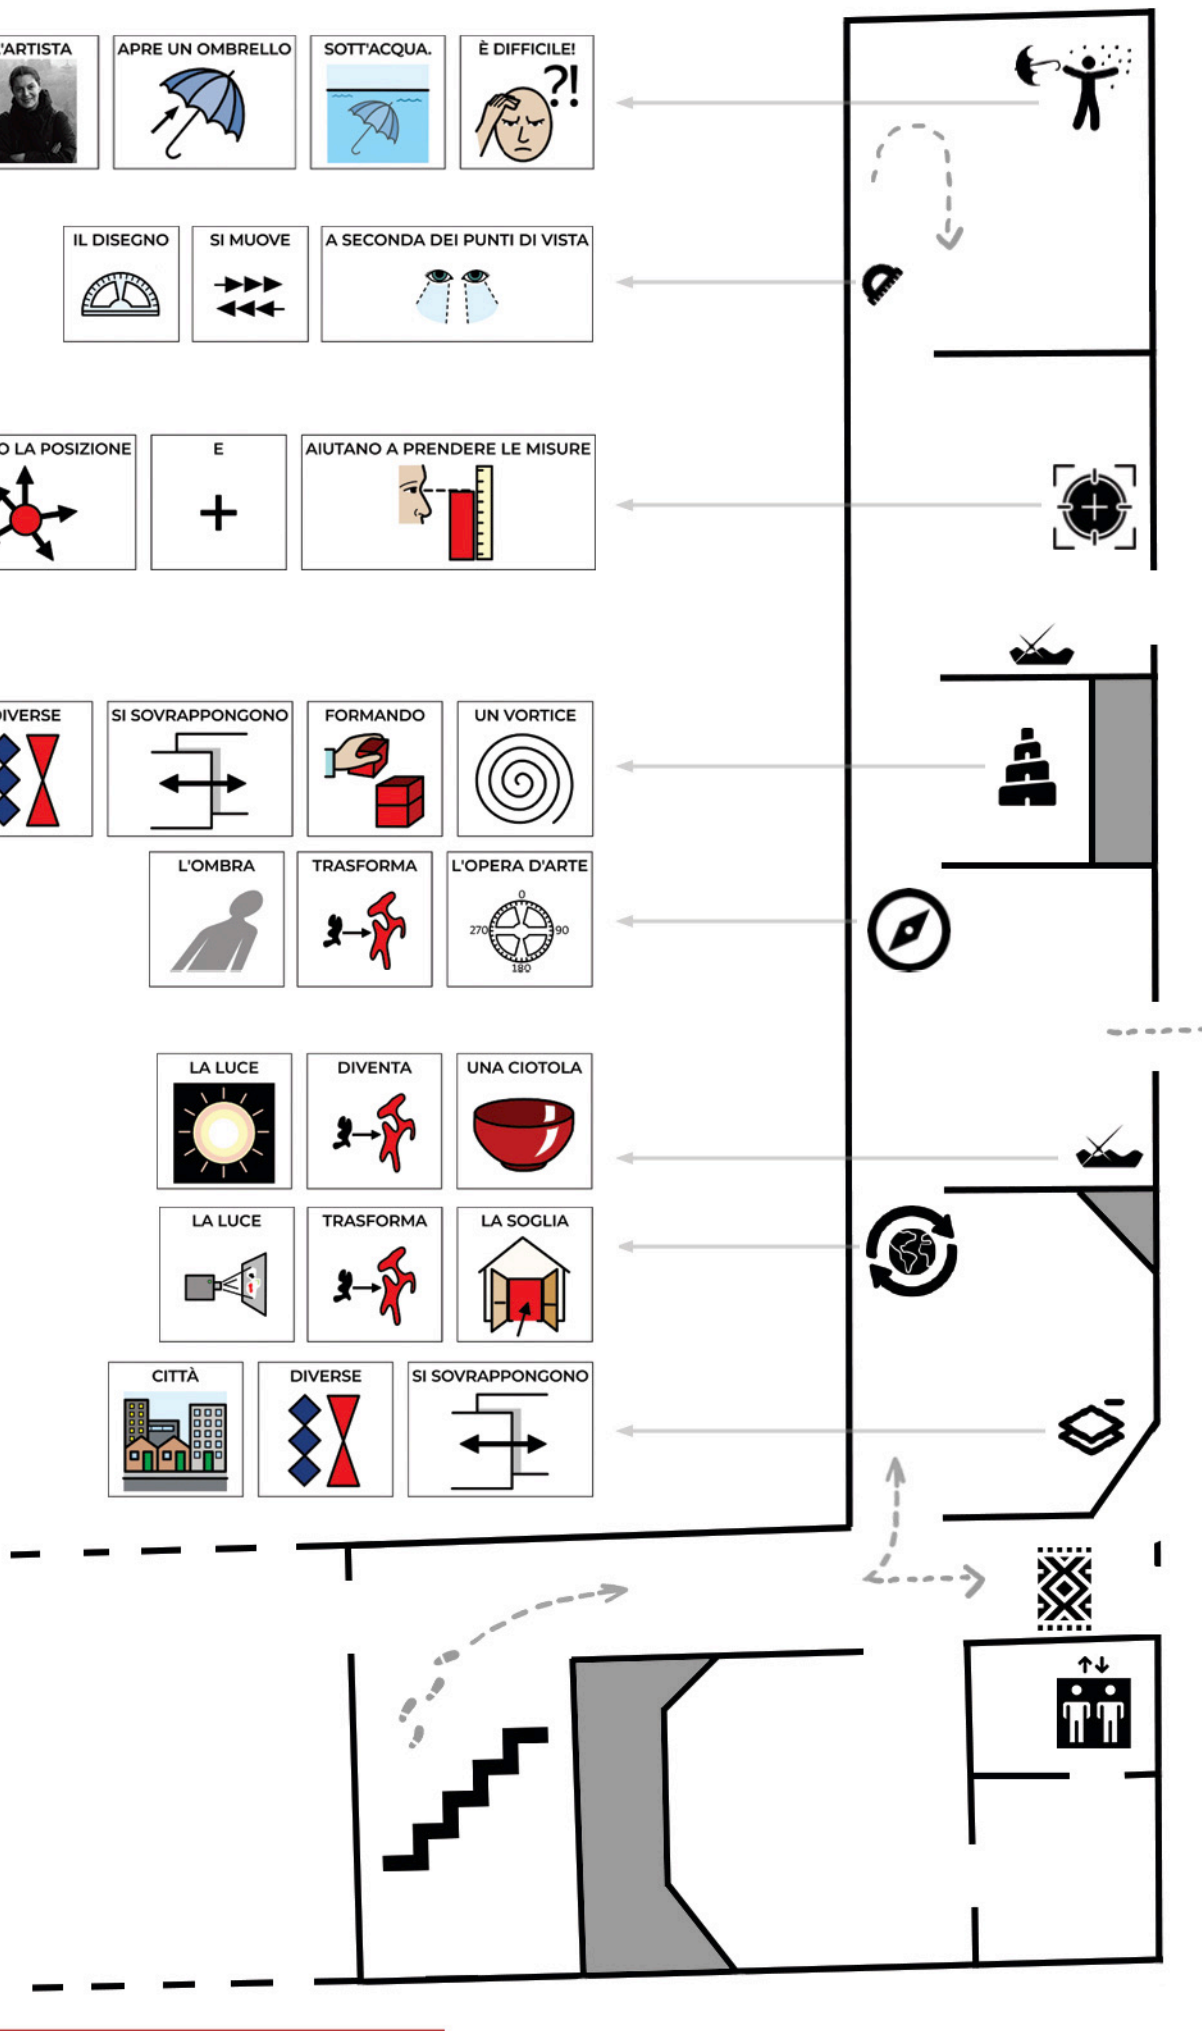

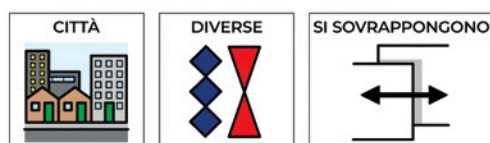

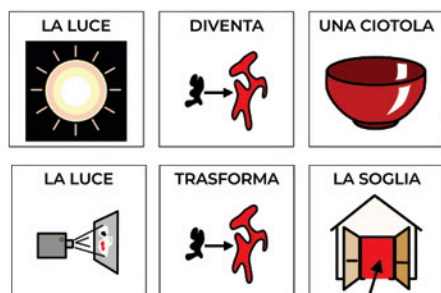

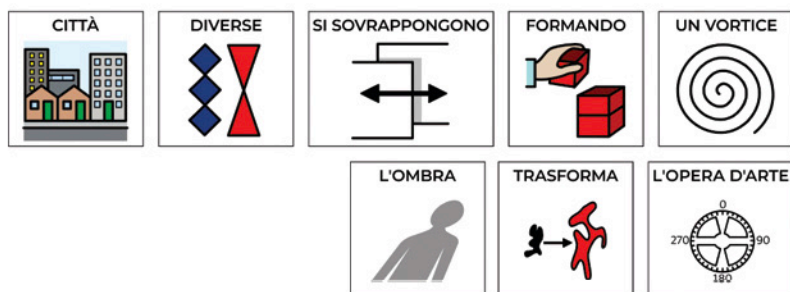

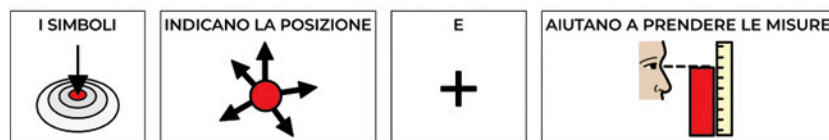

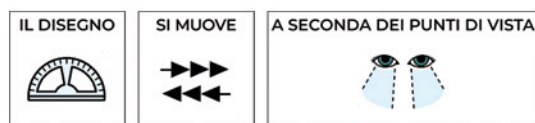

Noi 	osserviamo 	con 	gli occhi. 	Ogni 	occhio 	guarda 	e 	viene guardato. 
Anche 	i satelliti 	osservano 	la Terra 	e 	lo spazio. 			
Il Castello di Miradolo 	è circondato 	da mura di pietra. 	Intorno 	ci sono alberi 	molto grandi 			
e 	molto vecchi. 	Mura 	e 	alberi 	formano 	un confine. 		
Il confine 	separa 	fuori 	e 	dentro. 	Dentro 	il Castello 	la luce 	è più fioca. 
Passiamo 	dal mondo esterno 	a un 	luogo privato. 	È come 	entrare 	in 	un teatro. 	
Entriamo 	in 	un luogo 	di 	musica, 	arte 	e 	stupore.
